CREATING REDEMPTIVE LIFT AROUND THE WORLD

2020 ANNUAL REPORT

petrosnetwork.org

LINDA NOAH
Executive Director

“After this I saw a vast crowd, too great to count, from every nation and tribe and people and language, standing in front of the throne and before the Lamb.”
Revelation 7:9

It is happening – one life, one family, one village, one region at a time – hearts are turning towards Jesus in unprecedented numbers, even during the Covid pandemic! And, you are not only watching this wondrous thing happening, but YOU are helping to make it happen through sponsoring missionary church planters and giving towards compassion and care projects.

The Covid pandemic caught us off guard, but it didn't catch Jesus off guard. Despite school, church, and market closures, missionary church planters have continued to share and show the Gospel and report 200,000 people have heard the Gospel, and 33,000 people have accepted Jesus into their hearts. Widows utilized their training and microgrants to provide for their families, medical teams served over 9,800 patients, area leaders offered food for the extreme poor, sponsored children continued to thrive. We launched new initiatives in education and clean water in underserved areas.

The sheer magnitude of the numbers in this report tells us that the exponential growth of converts and new disciples can do no less than radically change the environment in which this is happening. And it is! Church planters are reporting their villages are changing – witch doctors are being defeated, miracles are happening, families are being reconciled, economies are lifting, and Jesus is being proclaimed across the land.

There is a simple way to stay up-to-date with all God is doing. If you haven't joined already, BE THE CHANGE and become one of our Network Partners at petrosnetwork.org. Through your partnership, we are changing the world through spiritual, social, physical and economic transformation.

For the Glory of God Alone,

Linda Noah

Why Invest in a Church Planter?

There are many worthy ministries to support. So let's answer a few questions and explain why supporting one of our church planters is one of the best ways to make an impact now and forevermore:

- ✓ Church Planting is a Biblical Model
- ✓ Church Planters are Catalysts for Good
- ✓ There are still 6700 Unreached People Groups
- ✓ Less than 1% Giving Goes to Frontline Ministries
- ✓ If We Don't Tell Them, They Will Never Know...
