

The Four Roles of Collaborative Partnership Creating Redemptive Lift®

Petros Network® is a global organization dedicated to sharing, showing, and spreading Jesus' transformative message of hope while empowering indigenous leaders to end spiritual and physical poverty among the unreached.

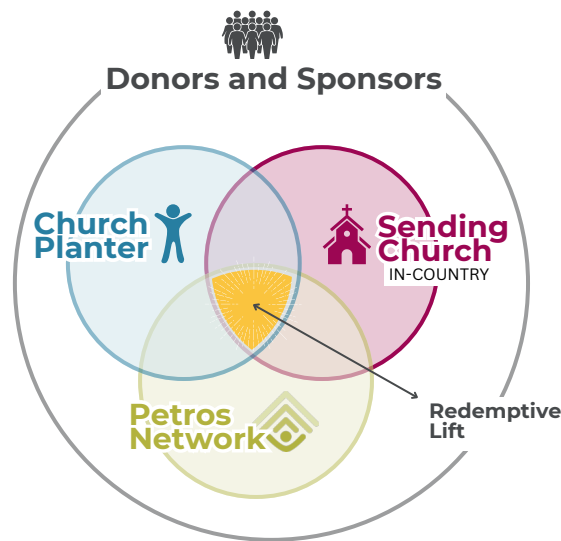

HOW IT WORKS

Accomplishing this task requires a collaborative effort of like-minded partnerships united in a single purpose to fulfill the Great Commission. Our partnerships transcend denominational and organizational boundaries, uniting us in the essentials of the Christian faith and showcasing the fruit of the Spirit in all our actions.

All partners operate in a manner consistent with the World Evangelical Alliance (WEA) Statement of Faith. Throughout our journey together, we adhere to seven missional values through which we **share, show, and spread** the Good News of Jesus.

RESULT = REDEMPTIVE LIFT

A previously unreached community has a new biblically faithful, numerically growing, denominationally connected, socially transformative local church that is self-governing, self-sustaining, and self-propagating.

OUR MISSIONAL VALUES

- 1) **The Local Church as the Hope of the World:** We believe the local Church is God's vehicle to demonstrate His Kingdom.
- 2) **Reaching the Unreached:** Our focus is on those who have never heard about Jesus, typically 98% unreached.
- 3) **Equipping Indigenous Leaders:** We contextualize the Gospel to the cultures where it is proclaimed.
- 4) **Cooperative Partnerships:** We bring multiple denominations, sending churches and agencies together for the common purpose of Kingdom building.
- 5) **Sustainability:** Every missionary and project is launched with sustainability in mind.
- 6) **Rapid Reproduction:** Living things are designed to grow, and we promote rapid, healthy growth.
- 7) **Redemptive Lift:** We aim to improve all aspects of village life to bring honor to Jesus and credibility to the Gospel and the Church.
